Games are played on Saturdays at 20th Street Community Park. The fall season runs September - November and the spring season runs February - April. Approximately 9 hours of instructional training is required. You will be required to purchase the referee uniform and accessories. Successful completion of the class does not guarantee receipt of any specific refereeing assignments. Those under 18 years of age must obtain a work permit prior to refereeing games for CYSL.

I understand that I will be working as an independent contractor for CYSL. I have also received, read, and understand the CYSL Expectations of Referees.

Refereeing requires a significant amount of physical exertion, mostly through constant running, for the duration of the game. Games are played in all types of weather, including rainy, windy, cold, and hot weather conditions. Referees need to be in good physical condition and come prepared for all types of weather conditions. I certify that I have no physical illness or impairment which will make participation as a referee dangerous to me or others and represent that the information contained in this form is true and correct, and that I have not lied about, misrepresented or otherwise falsified the above information.
