RAINOUPS: The first “rain out” will not be made up. If there is a second rain out, games will be played as field space allows. In case of rain conditions, there will be a message on the league phone at 894-1088. COACHES ONLY are to call the league phone for cancellation messages and then relay the information to their players.

SPECTATORS: During the games, spectators are to remain on the opposite side of the field from coaches and players. This is a courtesy to the coach and players to keep them free from distractions. Any questions or comments should be directed to the Field Supervisor on the field or the league Directors in the Field Gazebo.
